

MTAS Group Study/Peer Review Participation Form

1 hour of participation = 1 credit

A separate form must be completed for each study session for credit to be approved.

Group study sessions may be audited by the con-ed committee on a random basis as part of the process to confirm assessed credits. Therefore, a representative of the group is required to provide to the committee the name, mailing address, telephone and fax numbers of each of the individuals involved, who may be contacted concerning activity evaluation. One of these contact persons should be the instructor or group facilitator.

Study groups must be a minimum of 3 participants. The study material must be consistent with the scope of practice established by MTAS, and have significant content directly related to the practice of massage therapy. Primary or business credit classification depends upon the subject matter being studied.
