

CONTINUING EDUCATION – COURSE PROVIDER APPLICATION

MTAS has always held the position that the continued competency of our members is of the utmost importance to the protection of the public, and our membership requirements specify that RMTs complete on-going continuing education to remain members in good standing.

Approved continuing education providers are individuals or groups who have demonstrated the ability to design, implement and evaluate continuing education programs for RMTs. Course approval is required before RMTs can report continuing education credits for completion of their competency requirements. The continuing education material submitted should relate to the MTAS scope of practice, outlined within the *Inter-Jurisdictional Practice Competencies and Performance Indicators for Massage Therapists at Entry-to-Practice (2016)* and contribute to the professional development of the RMT.

Scope of Practice

“The practice of massage therapy is the assessment of the soft tissue and joints of the body, and the treatment and prevention of physical dysfunction and pain of the soft tissues and joints by mobilization and other manual methods to develop, maintain, rehabilitate or augment physical function, or relieve pain.”

Application Requirements

- A separate application form must be completed for each course being submitted.
- Incomplete applications will be returned without being reviewed – a checklist is provided for your convenience.
- Course approval lasts for 5 years from the approval date; re-evaluation is required every 5 years.
- After receiving approval, any changes to the course content must be reported to MTAS within 30 days.
- Approved course providers agree to supply each participant a certificate of completion, which will include the participant’s name, completion date, number of hours/credits, course title and the signature of the provider.
- Providers agree to include on their website and course materials: *“This course is approved by MTAS for xx credits.”*

Review Process

The MTAS Competency Committee will review all submissions. If there are additional questions about your application, you will be contacted and asked to provide any additional information or clarification needed for the evaluation to be completed. Meetings are held four times each year – March 1st, June 1st, September 1st, and December 1st.

Applications must be properly formatted and submitted to the MTAS office at least 1 week prior to the meeting date to be placed on the agenda. Please allow up to 4 weeks for completion of the evaluation process.

- **We prefer to receive submissions via e-mail** as we use a virtual meeting space, and the documents are uploaded for review.
- If the application is for an on-line or self-study module, **please provide a user account and log-in details** to enable the committee members to review the materials from the student’s perspective.

1 hour of direct instruction (excluding breaks) = 1 credit. Credits are awarded in either primary (within scope of practice) or business categories, according to the subject matter. On occasion, partial credits may be awarded if the entire course does not meet the requirements of the MTAS competency policy.

Correspondence will be sent via e-mail to the applicant upon completion of the evaluation, with information regarding whether the course was approved for credits.

Refunds will not be given for applications that are not approved.

Information for Instructors

All instructors must submit a comprehensive and current resume.

1. **Instructors who are massage therapists in Canada** must submit documentation showing that they have successfully completed an Entry to Practice Examination from either their provincial Association or the regulatory College of which they are a member. If the instructor has not completed an Entry to Practice Examination, the course evaluation process will place more emphasis on the content as related to the *Inter-Jurisdictional Practice Competencies and Performance Indicators for Massage Therapists at Entry-to-Practice* (IJCP) document.
2. **Instructors who are massage therapists outside of Canada** must submit documentation showing that they have successfully completed the highest level of massage therapy education in their jurisdiction.
3. **Instructors who are not massage therapists** must submit confirmation that they are a member in good standing with their own professional governing body. University or post-secondary College instructors should submit a letter from their department head confirming their subject area and length of tenure.

MTAS guarantees that all materials will be held in confidence and that only office staff and members of the review committee will have access to them.
