## **Members' Continuing Education Handbook - Introduction**

As stated in the MTAS Bylaws (11.1 (a)): "To remain in good standing and for renewal of membership, a member must remit all prescribed forms/fees and maintain all continuing competency requirements as determined by the Board."

The Competency Committee believes that it is important to let members develop their own direction, but that it is also prudent that members keep public safety and their professional reputation as the primary concern. The Competency Committee has designed the credit program to be accessible to all members of the profession, regardless of physical location, financial restraints and/or time limitations. This handbook sets out the requirements and guidelines for members.

Continuous self-assessment and enhancement of skills are essential responsibilities of each member. Evolving techniques, innovations in healthcare provision and increasing social awareness of the importance of healthcare emphasize the need for members to demonstrate their continued competence to provide high quality therapeutic massage services in Saskatchewan. To this end, the competency program serves to:

1. Recognize that continuous member self-education is significant to the standard of care provided to clients.
2. Give members the opportunity to communicate with other healthcare professionals.
3. Pursue professional excellence, as stated in the MTAS Code of Ethics (***see Appendix A, page 17 of this handbook***).

Each member is expected to perform treatments and operate their practice within the parameters of ethical and responsible means, as outlined in the Bylaws, Code of Ethics and Standards of Practice. The choice of courses taken and/or direction of professional development are the responsibility of the individual therapist. Therapists are encouraged to evaluate their choice of courses/workshops and related activities in terms of their benefit to the ongoing quality improvement of their practice.

Courses are considered for evaluation based on the written submissions of the course provider and are assessed against a standard template to ensure consistency.

The Massage Therapist Association of Saskatchewan (MTAS) awards continuing education credits to courses that meet the submission criteria and that contain instruction that falls within the MTAS scope of practice. However, MTAS cannot attest to the quality of the courses or instructors. It is the responsibility of the course registrant to select what is of value and what is within the MTAS scope of practice to be used within his/her practice.

## **Members' Responsibility for Continuing Education**

To maintain membership in good standing with MTAS, members must comply with the following Bylaw:

### **11.2 Competency of Members**

- a. All practicing members must obtain a minimum of forty (40) competency credits over a three-year period to maintain registration and/or license with the corporation. Required competency credits may be obtained as 40 primary credits OR a combination of primary credits and business credits (maximum 14 per window) totaling the required 40 competency credits.
- b. Competency credits will be granted to courses or professional development activities, according to the policies set by the Competency Committee and approved by the Board of Directors.
- c. Members are responsible to provide evidence to the satisfaction of the Board that the required educational credits have been obtained. The evidence must be filed with the Registrar.
- d. Members shall review the Corporation's Code of Ethics, Standards of Practice and Bylaws on an annual basis.

**Please note that it is not the responsibility of the MTAS office to maintain electronic files for individual members beyond the current continuing education window. In addition to the electronic member files, historical paper files are kept at the MTAS office for all members. It is the responsibility of each member to ensure that all required paperwork and documentation is uploaded to your profile on the website in a timely manner.**

Each member is required to:

1. Determine what professional skills are needed to carry out his/her current or future responsibilities.
2. Establish a plan to develop, maintain or improve those skills by obtaining the required minimum number of credits per window. Members are expected to foresee and overcome administrative difficulties (e.g., the cancellation of a planned activity). You are given three years in which to attain the required credits and are provided with an array of different options. It is the responsibility of each member to know the window dates and to plan for professional development over the course of the three-year period.
3. Maintain detailed documentation of all courses/workshops completed for each continuing education window.
4. Submit required proof of course completion in a timely manner and prior to deadlines (***see Monitoring and Recording Credits on page 12***).
5. Advise the MTAS office in the event of extenuating circumstances that prevent the completion of the continuing education requirements (***see Extenuating Circumstances on page 11***) prior to the submission deadline.

***NOTE: Members may now submit individual credit approval requests for courses that are not on the pre-approved list. Applications may be submitted to the office for the attention of the Competency Committee, which meets March 1<sup>st</sup>, June 1<sup>st</sup>, September 1<sup>st</sup>, and December 1<sup>st</sup>. We strongly recommend that you submit the course materials for evaluation PRIOR to completion of the course if you are concerned whether the course will be approved or the credits that will be allocated.***

#### A. Practicing Member Requirements.

All established practicing members (those who are past the grace period for new members) must obtain a **minimum of 40 credits** within the specified 3-year window.

Credits must be acquired in the following categories:

<b>CPR/SFA</b>	<b>5 per window (credits allowed once in each window)</b>
<b>Primary Credits</b>	<b>35 per window</b>
<b>Business Credits</b>	<b>Optional for established therapists (maximum 14 allowed per window)</b>

**\*\*\* NOTE: if a therapist earns the maximum allowed 14 business credits, the primary credit requirement will be reduced to 21, plus the 5 credits for CPR/SFA, for a total of 40 credits.**

#### B. Non-Practicing Member Requirements.

The policy for these members changed on November 1<sup>st</sup>, 2012. For each COMPLETE year of non-practicing membership, the 40-credit requirement is reduced by 13 credits.

**\*\*\* NOTE: if a therapist upgrades from non-practicing to practicing status part-way through the membership year, the required credits revert to the practicing membership obligation of 13 credits for that year.**

Ex. 1:      Year one – non-practicing = 0 credits  
              Year two – non-practicing = 0 credits  
              Year three – non-practicing = 0 credits  
              Total for the window = 0 credits

Ex. 2:      Year one – practicing = 13.333 credits  
              Year two – practicing = 13.333 credits  
              Year three – non-practicing = 0 credits  
              Total for the window = 27 credits

Ex. 3:      Year one – non-practicing at renewal then upgrade to practicing = 13 credits  
              Year two – non-practicing = 0 credits  
              Year three – non-practicing = 0 credits  
              Total for the window = 13 credits

NOTE 1: **For new members, a minimum of 7 business credits are mandatory** (no pro-rating of the business credit requirement will occur for those members who require fewer than 40 credits in a window, except for those members who maintain non-practicing status for all three years of a window.)

NOTE 2: Whilst non-practicing, members are not required to maintain current CPR/SFA. The certification must be renewed before upgrading to practicing membership.

#### C. New Member Requirements.

New members who have graduated from a minimum 2,200-hour massage program and have successfully completed the MTAS Member Qualifying Examination will have a grace period of two (2) years before being required to earn primary credits. This two-year period is interpreted as beginning the year after the year of graduation, (e.g., a 2025 graduate's grace period would be 2026 and 2027). New members will be permitted to carry forward up to and including a maximum of 40 credits earned during this time **(refer to the table on page 7)**. No additional pro-rating will occur for new members who take non-practicing membership status.

**A minimum of 7 business credits are MANDATORY FOR ALL NEW GRADUATES.**

#### D. Transferring Member Requirements.

Competency credits earned in another province may be transferable to the requirements for MTAS, providing that the course was completed during the current MTAS window. Please be advised that the MTAS course evaluation criteria may be different from that in other jurisdictions. It is the responsibility of the member to contact the MTAS office **in advance** of the submission deadline to determine whether course approval will be granted.

#### E. Honourary Practicing Member Requirements.

These members are required to meet the same credit responsibilities as practicing members, as directed in the Bylaws of the Association, Section 11.3 (a).

#### F. Senior Membership Requirements.

These members shall maintain fifty percent (50%) of the required continuing education hours of regular membership, as directed in the Bylaws of the Association, Section 11.3 (a). No further prorating will occur.

#### G. Retiree Membership Requirements.

A candidate for Retiree Membership shall not be required to complete the minimum number of con-ed hours.

## Continuing Education Windows

<b>Year of Graduation</b>	<b>Nov 1, 2024 - Oct 31, 2027 Con-Ed Window I</b>	<b>Nov 1, 2027 – Oct 31, 2030 Con-Ed Window II</b>

10. 2028, 2029 and 2030 Graduates require 0 credits in window I and 7 mandatory business credits in window II.

## Competency Credit Guidelines

The following guidelines are NOT exhaustive. They are intended to direct, not limit, the ability of a member to successfully complete the MTAS competency requirements.

Credit activities are recorded in the electronic member database and office paper files, and members must maintain a personal record of all credit activities.

### PRIMARY CREDIT ACTIVITIES

Activities in the primary category are directly related to the Scope of Practice.

#### **MTAS Scope of Practice, as stated in the Association Bylaws:**

“The practice of massage therapy is the assessment of the soft tissue and joints of the body, and the treatment and prevention of physical dysfunction and pain of the soft tissues and joints by mobilization and other manual methods to develop, maintain, rehabilitate or augment physical function, or relieve pain.”

**Topics for primary credits as directly related to the MTAS Scope of Practice include, but are not limited to, the following (1 credit per 1 hour of study):**

Anatomy Massage techniques, treatments, and theory	Assessment Medical terminology	Charting skills Pathology	Ethics Physiology
---	-----------------------------------	------------------------------	----------------------

**Modalities/techniques within Scope of Practice include, but are not limited to:**

- |  |  |   |
|--|--|---|
| <ul style="list-style-type: none"><li>• Active Release</li><li>• Acupressure</li><li>• Alexander Method</li><li>• Athletic Taping and Bracing</li><li>• Bowen Therapy</li><li>• Cranial Sacral Therapy including Unwinding</li><li>• Cupping</li><li>• Deep Tissue Therapy</li><li>• Feldenkrais Technique</li><li>• Fascial Stretch Therapy</li><li>• Graston Technique</li><li>• Hot Stone Therapy (assessed on course content-some courses may not be eligible)</li><li>• Hydrotherapy</li><li>• Indian Head/Foot Massage</li></ul> | <ul style="list-style-type: none"><li>• Infant Massage &amp; Instructor Training</li><li>• Instrument Assisted Soft Tissue Mobilization</li><li>• Integrative Manual Therapy</li><li>• Joint Mobilization</li><li>• Lensen Technique</li><li>• Ligamentous Articular Strain Technique (L.A.S.T.)</li><li>• Lomi Lomi</li><li>• Manual Lymph Drainage</li><li>• Muscle Activation Technique</li><li>• Muscle Energy Technique</li><li>• Myofascial Release</li><li>• Neuromuscular Therapy</li><li>• Oncology Massage</li><li>• Onsen Technique</li></ul> | <ul style="list-style-type: none"><li>• Pre- and Post-Natal Massage</li><li>• Proprioceptive Neuromuscular Facilitation (PNF stretching)</li><li>• Relaxation Massage</li><li>• Rolfing</li><li>• Shiatsu Massage</li><li>• Sports Massage Therapy</li><li>• Strain/Counter Strain</li><li>• Structural Integration</li><li>• Swedish Massage</li><li>• Thai Massage</li><li>• Therapeutic Exercise (assessed on course content-some courses may not be eligible)</li><li>• Trager Approach</li><li>• Trigger Point Therapy</li><li>• Visceral Manipulation</li></ul> |
|--|--|---|

All other in scope modalities/techniques are subject to approval by the Competency Committee.

**Courses that include partial out-of-scope materials will be awarded 50% credits. e.g. 14 hour-course = 7 credits.**

#### Primary activities include:

- Attending or teaching workshops, seminars, or courses relevant to the Scope of Practice (includes virtual courses).
- Obtaining MTAS examiner training accreditation, working as a peer assessor, subject matter expert or investigator for the Association.
- Conducting or collaborating in formal research with intent to publish results that are relevant to the Scope of Practice.
- Reviewing books, articles or videos that are relevant to the Scope of Practice.
- Participating in a peer review or study group.
- Volunteering as a massage therapist at an official event or with a recognized organization.
- Mentoring a fellow therapist or student.

### **CPR/First Aid**

There are several options available for obtaining CPR/First Aid requirements, including Canadian Red Cross, St. John's Ambulance and Heart and Stroke Foundation. A variety of private companies also offer the training.

Standard First Aid and CPR Level "C" or higher are mandatory licensing requirements for the profession. **You are required to maintain up-to-date standards in this area to maintain our agreements with SGI and WCB; therefore, members are responsible to ensure their certification is not allowed to lapse.** This is not an area that directly affects your skills as massage therapists and, as such, is not "continuing education" in the field of the work that you do. However, MTAS currently grants competency credits for this training (5 primary credits per window). A copy of the certificate must be submitted to your profile on the MTAS website upon renewal so that your file is always current. Recertification is only required as directed by the First Aid/CPR provider – every three years. **Note that if you decide to take the full course instead of the recertification, choose to recertify more than once during each window, or elect to complete an advanced certification (e.g. Sports First Responder) you will not be granted additional credits.** All practicing members are required to maintain current certification. If you allow your SFA/CPR certification to lapse for any reason, your membership may be suspended until we receive your proof of recertification.

NOTE: If you are an RN, LPN, EMT, First Responder, fire fighter or a member of another profession that requires First Aid and CPR training at a higher level than required by MTAS, we will accept a copy of your current license in lieu of CPR/SFA certification.

***NOTE: Due to Sask. Occupational Health and Safety guidelines, fully online courses and non-Canadian courses are not permitted. Blended training is acceptable.***

### **Alternative ways to earn competency credits**

Any combination of the following options may be used:

1. Mentoring Form (may be primary or business credits, depending on context.)
  - 1 credit per 2 hours of shadowing, to a maximum of 15 credits per con-ed window.
  - Equal credits are awarded for each MTAS member participating (mentor and mentee).
2. Teaching Form (teaching assistant (T.A.) at a workshop, massage therapy school instructor or con-ed course instructor.)
  - Teaching refers to the delivery of educational instruction/course material, which must be within scope of practice.
  - Preparation/research time is not included.
  - Maximum 15 credits per con-ed window. Pro-rated at 5 credits per year.
3. Volunteer Activity Form
  - The activity must be within scope of practice and unpaid.
  - 1 primary credit per 1 hour of volunteer massage therapist activity or 1 business credit per 1 hour of volunteer board/coach activity.
  - Maximum 10 credits per con-ed window.
4. Member Development of Con-ed Workshop Form
  - Documenting the preparation and research work you have done to develop a con-ed course.
  - Material must be within scope of practice.
  - Credits will be assigned in equal number to those awarded when you submit the course to the con-ed committee for evaluation.
  - Credits may be counted once per course.
5. Case Study Form
  - 3 primary credits per case study.
  - Maximum 3 cases per con-ed window (9 credits).
6. Literature Review Form: magazine/research article, book, podcast/webinar or video (may be primary or business credits, depending on subject matter.)
  - 1 credit per webinar or podcast or magazine/research article.
  - 3 credits per book or video.
7. Group Study/Peer Review Form (may be primary or business credits, depending on subject matter.)
  - 1 credit per 1 hour of participation.

## **BUSINESS CREDIT ACTIVITIES** (1 credit per 1 hour of study, *to a maximum of 14 per window*).

Business credits were added to our con-ed policy to bring the MTAS competency system into line with the *Inter-Jurisdictional Entry-to-Practice Competency Profile for Massage Therapists (2016)*, developed by the Consortium of Massage Therapy Regulators. Adherence to this profile will allow transition into the Agreement on Internal Trade on labour mobility when legislated.

### **Examples:**

- MTAS AGM attendance (2 credits each year)
- MTAS jurisprudence quiz (coming soon)
- Chamber of Commerce events
- Financial institution seminars
- Sask. Polytech business classes
- Technical college business classes
- University business classes
- Webinars and podcasts
- Volunteering on a community Board of Directors
- Business meetings with accountants, financial planners, tax advisors etc.
- Volunteering on the MTAS Board of Directors or a committee of the Board

### **Subjects may include, but are not limited to:**

- |   |                                |                            |
|---|--------------------------------|----------------------------|
| • Accounting                            | • Data processing              | • Negotiation              |
| • Administration                        | • Decision-making              | • Organizational behaviour |
| • Advertising and promotion             | • E-commerce                   | • Organizational theory    |
| • Book-keeping                          | • Economics                    | • Policy development       |
| • Business law                          | • Financial planning           | • Problem-solving          |
| • Business planning                     | • Human resources              | • Public relations         |
| • Coaching skills                       | • Investments                  | • Sales techniques         |
| • Commerce                              | • Jurisprudence and compliance | • Statistics               |
| • Communications                        | • Labour relations             | • Strategic planning       |
| • Computer applications                 | • Leadership                   | • Taxation                 |
| • Conflict resolution                   | • Management                   | • Website design           |
| • Customer service and client relations | • Marketing                    | • Writing skills           |

Courses taken for business credits do not need to be pre-approved by the Competency Committee. Members may take any classes, courses or workshops of personal interest that are related to the operation/commerce of their business. A certificate of attendance or letter from the course provider must be submitted to your con-ed file on the website for credit recording purposes. In addition to the member's name, this should state the course name, completion date, and number of hours of attendance.

If you attend a meeting with your accountant, business consultant, financial planner, or tax advisor to discuss the affairs of your practice, you may submit a letter on their professional office letterhead stating your name, the date, time, and length of meeting. 1 hour = 1 business credit.

If you are a volunteer coach or participate on a community-based organization Board, use the Volunteer Activities Form to submit your credits.

1 business credit per 1 hour of volunteer board/coach activity, to a maximum 10 credits per con-ed window.

**\*Please note that receipts are NOT considered proof of attendance for any workshops, classes, or events\***

## **Extenuating Circumstances**

MTAS acknowledges that there may be times when it is difficult for a member to complete the continuing education requirements due to circumstances beyond their control. Members may apply for a 90-day extension to permit the completion of their continuing education requirements. An application fee of \$265.00 + GST will be applied. Acceptable reasons include:

1. Health concerns – written requests for extension must include a signed letter from an attending physician, psychologist, or psychiatrist.
2. Personal concerns – written requests for extension must include a detailed explanation of the special circumstances.

The Competency and Membership Committees have certain discretionary powers in these matters and can provide extensions and exemptions, but the request must be in writing, must clearly state the reason why you have not complied with the requirement, and must include a plan for obtaining the missing credits. This must be received at the MTAS office **before the window closes**. Failure to submit your request before the close of the window may result in membership being suspended. All letters of request for extension will be evaluated on an individual basis and the Committee will render a decision based on the information provided and after consultation with the Board of Directors. ALL REQUESTS WILL BE CONSIDERED CONFIDENTIAL.

**Reporting your credits is mandatory. Failure to submit the appropriate proof of credits or to apply for an extension before the end of a window will result in suspension of membership and the assessment of a fine in the amount of \$325.00 + GST.**

### **Opportunities to earn free competency credits:**

To ease the burden that members may feel in fulfilling their continuing education requirements, all members are encouraged to take advantage of the various free opportunities provided by MTAS:

- Attend the Annual General Meeting
- Volunteer on an MTAS Committee or the Board of Directors
- Volunteer at a community event or on a community-based organization Board of Directors
- Mentor a new therapist or student
- Submit a case study
- Form a study group
- Develop and teach a con-ed course
- Watch recorded webinars and submit literature reviews

## **Monitoring and Recording Credits**

Competency credits for all members are monitored and recorded on your personal profile on the MTAS website. Our database contains only the current window credit information and is archived once the current window is closed. If credits are submitted for the window after it has closed, these credits cannot be included in the window total.

Members are expected to maintain a complete record of their on-going competency credits. It is **YOUR** responsibility to ensure that you are aware of the number of credits needed and to submit the required proof in a timely manner.

The following items are examples of the type of materials you should retain for your records:

1. Certificates, transcripts, or letters/e-mails confirming attendance. These are the only means of proof by which credits can be added to your file.
2. A log of accumulated hours with description of activity and the learning outcomes (supplementary to the items in #1 above).
3. Names of contacts, leaders, chairs of committees, groups, associations etc.
4. Synopses of articles, books or videos/webinars/podcasts reviewed.

**\*Receipts are NOT considered suitable proof of attendance for any workshops, classes, or events\***

NOTE: The MTAS electronic database and on-line member profile automatically stops calculating business credits once the maximum of 14 has been reached. Your detailed con-ed profile may include more than 14 business credits but the calculation will stop at 14 for credit reporting purposes.

### **How to Report to MTAS**

You are only to report on the credits earned (i.e. courses completed) during the current window.  
(Refer to the table on page 7 of this handbook for con-ed window dates).

Approved competency credits should be submitted via upload to your personal profile on the MTAS website. Note that you must:

1. Upload the certificate to the Documents tab **AND**
2. Enter the course details in the Credits tab.

Failure to complete step 2 will result in the credits not being recorded. In preparation for the introduction of the Sask. College of Massage Therapy (SCMT), we are transitioning away from the office staff entering con-ed sent via e-mail, fax, regular mail or in person.

Remember that from October 1<sup>st</sup> to December 1<sup>st</sup> is the membership renewal period and our correspondence volume increases significantly. Members are encouraged to submit proof of competency credits earned throughout the continuing education window, on an ongoing basis, instead of waiting until the end of the window. This practice enables both the member and the MTAS office to keep an accurate count of the credits earned to date, and therefore to determine the number of credits that may still be outstanding, BEFORE the window closes.

**Reporting your credits is mandatory. Failure to submit the appropriate number of credits by the end of a window will result in suspension of membership and the assessment of a fine in the amount of \$325.00 + GST.**

The Competency Committee and the MTAS office are **NOT** responsible for any delays that may occur, or for the possibility that a membership may be suspended, due to incomplete information being submitted, courses not being approved, courses being cancelled, or the required number of credits not being completed on time. **We strongly recommend that you submit the course materials for evaluation PRIOR to completion of the course if you are concerned whether the course will be approved or the credits that will be allocated.**

***\*\*A member may complete a specific course/workshop a maximum of twice in each 3-year continuing education window and receive the full continuing education credits for that course each time.***

***The exception to this is for CPR/SFA certification, as this is a licensing requirement, not continuing education. The MTAS follows the guidelines of the Canadian Red Cross, which state that a person must recertify within three years to maintain current certification. We continue to award 5 primary credits for this training, once per con-ed window, regardless of whether a member completes the full course or a recertification course, and regardless of the number of times it is completed within a con-ed window.***

## **Carry-Forward of Credits**

A maximum of 10 credits may be carried forward and applied to your next window requirements. The exception to this rule is for new members who are still in their 2-year grace period. In order not to discourage new graduates from continuing their education, the Board has approved these members to carry forward up to and including a maximum of 40 credits into the next window.

*For courses completed during **September or October of the last year of the window**, the member may decide whether to apply these credits in the current or subsequent window.* Credits for a course may not be divided between windows. If you decide to hold credits for addition to the next window, DO NOT submit them to your online profile until after the new window has opened, otherwise they will count in the current window and this action cannot be reversed.

As a member service, the MTAS database automatically calculates the submission of excess credits and will automatically carry the appropriate number forward from one window to the next - there is no need for members to request the carry forward. You may view your credit status 24/7 via your personal profile on the MTAS website.

Please ensure that you maintain appropriate records in the event of a discrepancy with the records maintained at the MTAS office. These cases will be considered on an individual basis, and the onus will be on the member to provide acceptable proof of completion of the credits in question.

## Course Evaluation Process

For those courses not on the pre-approved course list (available in the members-only section of the MTAS website at [www.saskmassagetherapy.com](http://www.saskmassagetherapy.com)), the MTAS Competency Committee strongly recommends obtaining approval for courses prior to attendance. The Committee may decline to approve courses based on insufficient instructor credentials related to the course being taught, or inadequate or inappropriate course content. The Committee does not discourage members for taking such courses but is not obliged to acknowledge credits for them.

All courses approved by the Competency Committee are based on specific criteria as related to the definition of Scope of Practice.

The following information is required for the Committee to complete a course approval:

1. Course Provider Form (*see Appendix B, page 28*) OR Member Con-Ed Course Approval Application Form (*Appendix B, page 33*) and processing fee.
2. Course description and relevant references.
3. Proposed course content.
  - a. Learning outcomes - list outcomes in behavioural/measurable terms (which are attainable, can be evaluated, and relate to the scope of practice).
  - b. Detailed program content - provide an hourly breakdown of time spent of each part of the program (lesson plan).
4. Presenter qualifications.
  - a. List presenters for each topic/content area.
  - b. Include a complete resume for each presenter.
5. Teaching strategies and methods used to impart information.

Please note that brochures, advertising literature and/or the provision of a website address are considered insufficient information on which to base course approval. It is the responsibility of the course provider or member to submit all of the required information for assessment. Requests for approval will be denied and returned to the sender if suitable supplementary information is not provided. The Committee is a volunteer group and does not have the time or resources to do additional research on your behalf.

### Deadlines

- The Committee meets four (4) times each year and materials will be forwarded to the Committee from the MTAS office one week prior to each meeting.
- Annual application deadlines: **March 1<sup>st</sup>, June 1<sup>st</sup>, September 1<sup>st</sup>, and December 1<sup>st</sup>.**
- Once the Committee has approved a course, written notification will be provided to the course provider or member and the course details will be posted on the pre-approved courses list on the MTAS website. Approval lasts for five (5) years, at which time re-evaluation is required.
- The Competency Committee, Board of Directors and the MTAS office are not responsible for any delays that may occur, or for the possibility that a membership may be suspended, due to incomplete information being submitted, courses not being approved, or the required number of credits not being completed on time.

**To assist course providers and members with the submission of materials for continuing education credit approval, standardized forms have been created for submission with the appropriate documentation and fees.**

***See Appendix B, pages 18-36.***

## **Information Availability**

### **Approved Course Database**

Courses that have been evaluated and approved by the Competency Committee are listed alphabetically by course name in the members-only section of the MTAS website [www.saskmassagetherapy.com](http://www.saskmassagetherapy.com), under Continuing Education → Pre-approved Courses. Listings also indicate the number of credits, the course provider name and contact information.

Please note that this resource is a historical record of all courses that have been evaluated during the last five years by MTAS for credits. Due to the large number of courses listed, we aim to maintain it as a database of current course provider information, however we do not guarantee that the information is always 100% accurate. If you wish to take a particular course by a specific provider, we suggest that you contact the course provider directly for the most current information.

### **Coming Events List**

The MTAS website also contains an updated chronological listing of coming events about which the office has been informed. This is the place to check for approved courses/workshops coming up soon.

You can find the list here: <https://www.saskmassagetherapy.com/Coming-Events-List>

If in doubt as to whether a course has been evaluated, please contact the MTAS Office:

- E-mail: [mtas@saskmassagetherapy.com](mailto:mtas@saskmassagetherapy.com)
- Phone: 306-384-7077  
Fax: 306-384-7175

We are available to assist you from Monday to Thursday between 7:30am-12pm and 1pm and 3:30pm.

We are closed on Fridays, all statutory holidays and between Christmas and the New Year.

# **APPENDIX A**

## **Code of Ethics**

The purpose of this Code is to define professional integrity. All persons entering into Membership with the Corporation shall formally agree to be bound under the following principles:

- (a) A Member shall undertake to abide by all the laws in the Province of Saskatchewan.
- (b) A Member shall respect all patients, colleagues, and health professionals in accordance with the Bill of Human Rights.
- (c) A Member shall recognize that the interest and welfare of the patient are paramount.
- (d) A Member shall be responsible and accountable to society and shall conduct him/herself in a manner that maintains high standards.
- (e) A Member shall seek assistance or refer the patient to his/her Medical Practitioner in any situation where the therapist may feel that he/she lacks the necessary knowledge or competence to administer treatment. The Member recognizes the value and responsibility of working in cooperation with other healthcare professionals to ensure the best outcome for the patient.
- (f) A Member shall honour the confidentiality of the relationship between massage therapist and patient.
- (g) A Member shall maintain a modest and correct decorum expected of a professional person in a working capacity.
- (h) A Member shall refrain from making any statements or claims misrepresenting the therapeutic benefits of their treatment.
- (i) A Member shall refrain from enticing patients from the care of a colleague and to abstain from any action or statement that might bring a colleague, organization, or the Corporation into disrepute.
- (j) Where a Member is aware and has proof of misconduct, breach of trust, violation or transgression of this Code of Ethics or Standards of Practice, it is his/her duty to bring such knowledge and written proof to the attention of the Board of the Corporation.
- (k) All Members shall abide by the Membership requirements and Standards of Practice to remain in good standing with the Corporation.
- (l) A member shall refrain from carrying out any consultation, assessment, or treatment of a child under the age of 18 years except in the presence or with the consent of a parent or guardian or other responsible adult approved by the parent or guardian.

## MTAS Group Study/Peer Review Participation Form

1 hour of participation = 1 credit

A separate form must be completed for each study session.

Group study sessions may be audited by the con-ed committee on a random basis as part of the process to confirm assessed credits. Therefore, a representative of the group is required to provide to the committee the name, mailing address, telephone, and fax numbers of each of the individuals involved, who may be contacted concerning activity evaluation. One of these contact persons should be the instructor or group facilitator.

Study groups must be a minimum of 3 participants. The study material must be consistent with the scope of practice established by MTAS, and have significant content directly related to the practice of massage therapy. Primary or business credit classification depends upon the subject matter being studied.

## **MTAS Member - Development of Con-ed Workshop Form**

- Use this form to document the preparation and research work you have done to develop a workshop/course.
- The course material must be within scope of practice (primary credits), or business-related (business credits).
- Course content preparation and research time is included; course delivery time is not included.
- Development credits are based on the final credits assigned when you submit your completed course for evaluation by the Con-Ed Committee, using the Course Provider Application Form.

**Credits may be counted once per course.**

**Credits will equal the number of credits assigned to the course  
upon approval by the con-ed committee when you submit the course for evaluation.  
e.g. if approved for 8 hours con-ed = 8 credits for development.**

## CONTINUING EDUCATION – COURSE PROVIDER APPLICATION

MTAS has always held the position that the continued competency of our members is of the utmost importance to the protection of the public, and our membership requirements specify that RMTs complete on-going continuing education to remain members in good standing.

Approved continuing education providers are individuals or groups who have demonstrated the ability to design, implement and evaluate continuing education programs for RMTs. Course approval is required before RMTs can report continuing education credits for completion of their competency requirements. The continuing education material submitted should relate to the MTAS scope of practice, outlined within the *Inter-Jurisdictional Practice Competencies and Performance Indicators for Massage Therapists at Entry-to-Practice (2016)*, and contribute to the professional development of the RMT.

### Scope of Practice

*“The practice of massage therapy is the assessment of the soft tissue and joints of the body, and the treatment and prevention of physical dysfunction and pain of the soft tissues and joints by mobilization and other manual methods to develop, maintain, rehabilitate or augment physical function, or relieve pain.”*

### Application Requirements

- A separate application form must be completed for each course being submitted.
- Incomplete applications will be returned without being reviewed.
- Course approval lasts for 5 years from the approval date; re-evaluation is required every 5 years.
- After receiving approval, any changes to the course content must be reported to MTAS within 30 days.
- Approved course providers agree to supply each participant a certificate of completion, which will include the participant's name, completion date, number of hours/credits, course title and the signature of the provider.
- Providers agree to include on their website and course materials: *“This course is approved by MTAS for xx credits.”*

### Review Process

The MTAS Competency Committee will review all submissions. If there are additional questions about your application, you will be contacted and asked to provide any additional information or clarification needed for the evaluation to be completed. Meetings are held four times each year – March 1<sup>st</sup>, June 1<sup>st</sup>, September 1<sup>st</sup>, and December 1<sup>st</sup>.

Applications must be properly formatted and submitted to the MTAS office at least 1 week prior to the meeting date to be placed on the agenda. Please allow up to 6 weeks for completion of the evaluation process.

- **We only accept submissions via e-mail** as we use a virtual meeting space, and the documents are uploaded for review.
- If the application is for an on-line or self-study module, **please provide a user account and log-in details** to enable the committee members to review the materials from the student's perspective.

1 hour of learning = 1 credit. Credits are awarded in either primary (within scope of practice) or business categories, according to the subject matter. On occasion, partial credits may be awarded if the entire course does not meet the requirements of the MTAS competency policy.

Correspondence will be sent via e-mail to the applicant upon completion of the evaluation, with information regarding whether the course was approved for credits.

Refunds will not be given for applications that are not approved.

### Information for Instructors

All instructors must submit a comprehensive and current resume – see Page 4, Section 4.

1. **Instructors who are massage therapists in Canada** must submit documentation showing that they have successfully completed an Entry to Practice Examination from either their provincial Association or the regulatory College of which they are a member. If the instructor has not completed an Entry to Practice Examination, the course evaluation process will place more emphasis on the content as related to the *Inter-Jurisdictional Practice Competencies and Performance Indicators for Massage Therapists at Entry-to-Practice* (IJCP) document.
2. **Instructors who are massage therapists outside of Canada** must submit documentation showing that they have successfully completed the highest level of massage therapy education in their jurisdiction.
3. **Instructors who are not massage therapists** must submit confirmation that they are a member in good standing with their own professional governing body. University or post-secondary College instructors should submit a letter from their department head confirming their subject area and length of tenure.

**MTAS guarantees that all materials will be held in confidence and that only office staff and members of the review committee will have access to them.**

## CONTINUING EDUCATION – MEMBER APPLICATION FOR CREDIT EVALUATION

### To be used when the course provider chooses not to, or refuses to submit a course

MTAS has always held the position that the continued competency of our members is of the utmost importance to the protection of the public, and our membership requirements specify that RMTs complete on-going continuing education in order to remain in good standing.

Course approval is required before members can report primary continuing education credits for completion of their competency requirements. Note that if you do not seek pre-approval from the MTAS Continuing Education Committee prior to undertaking study, MTAS will not be responsible for the material not being approved for credits. The Committee reserves the right to refuse to grant credits for inappropriate/out-of-scope subject matter. The continuing education material submitted should be within the MTAS scope of practice and contribute to the professional development of the RMT.

#### MTAS Scope of Practice

*“The practice of massage therapy is the assessment of the soft tissue and joints of the body, and the treatment and prevention of physical dysfunction and pain of the soft tissues and joints by mobilization and other manual methods to develop, maintain, rehabilitate or augment physical function, or relieve pain.”*

#### Application Requirements

- A separate typed or printed application form must be completed for each course being submitted. Handwritten notes are unacceptable.
- Incomplete applications will be returned without being reviewed.
- After receiving approval, any changes to the course content must be reported to MTAS within 30 days.

#### Review Process

The MTAS Competency Committee will review all submissions. If there are questions about your application, you will be contacted and asked to provide any additional information or clarification needed for the evaluation to be completed. Meetings are held four times each year – March 1<sup>st</sup>, June 1<sup>st</sup>, September 1<sup>st</sup>, and December 1<sup>st</sup>.

Applications must be properly formatted, including this form and all supporting documentation, and submitted to the MTAS office at least 1 week prior to the meeting date to be placed on the agenda. Please allow up to 6 weeks for completion of the evaluation process.

- **We only accept submissions via e-mail** as we use a virtual meeting space, and the documents are uploaded for review.
- If the application is for an on-line or self-study module, **please provide a user account and log-in details** to enable the committee members to review the materials from the student’s perspective.

1 hour of learning = 1 credit. On occasion, partial credits may be awarded if the entire course does not meet the requirements of the MTAS competency policy or if it is not fully within the scope of practice.

Correspondence will be sent via e-mail to the applicant upon completion of the evaluation, with information regarding whether the course was approved for credits.

There are no refunds for applications that are not approved.
